The Living Sin of the Multicultural Christian: A brutally honest book on race, Christianity, and the ancient judgment that is on a collision course with them both Steve Garrett

As the Church of today breeds the theology of brotherly love throughout the world, an ancient biblical judgment hidden in plain sight threatens to bring down the very pillars of modern society as we know it. A judgment so devastating that when executed by God the first time it altered the course of the world's history forever. But was this judgment a one-time event? Here lies the secret and here lies the mystery. Modern man, failing to realize the corruption of the church long ago as described by Paul and others has resulted in a self-inflicted blindness to the reality of this ancient judgment:

Acts 20: Paul warns us that the church will be infiltrated by evil men after he dies. 29 For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock 30 Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them. Jude 1: Jude informs us that the infiltration has taken place. 3 Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. 4. For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

As shown, the early church apostles warned of the coming corruption of the church. Note, Paul and Jude are not singling out individual churches that were being infiltrated; they both are using a general statement that the church as a whole was infiltrated. As Christians, we must understand that we are being handed down what is left over from that corruption of the church so long ago. As Jude tell us, A faith which was once delivered to the saints now turning grace into lasciviousness. So as the modern church leads the flock into Satan's lair of the corrupted love theology of today, the end result will be the reactivation of this ancient judgment. The elite created vehicle that is the harbinger to this biblical devastation has a familiar name. Multiculturalism. Follow the author as he takes you on a journey to understand how this once great Christian nation called America was transformed into the ungodly multicultural nation it is today. Be a ringside witness as he shines a damning light on the false claims from the promoters of multiculturalism to uncover this anti-Christian aberration's true sinister intentions.
