1946: World War II is over and the world is changing. While the Axis has been defeated, a new menace threatens the globe: Communism. When industrialist Owen S. Grane is brutally murdered, the Three Musketeers, America's foremost superheroes, are called in to find the culprit, who attacks and kills like a wild animal. Was it the Soviets? A spurned lover? A cheated business rival? Or someone else? One by one, upper level executives of the S.M.A. Corporation, an American defense contractor, are attacked and killed in a savage manner, until, finally the Owl reveals himself – but only after a cat-and-mouse game with the Three Musketeers.
