#### **Peter Pitts:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Little Birds: Coloring Book can make you experience more interested to read.

#### **Mildred Timm:**

What is your hobby? Have you heard that will question when you got students? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person similar to reading or as looking at become their hobby. You have to know that reading is very important along with book as to be the issue. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update with regards to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is actually Little Birds: Coloring Book.
