The luscious pink lips of the blonde bitch wrapped tightly around the purple head of the black stud's massive cock. Linda licked that dick head and took it deep into her mouth, knowing that she had found her element at last. She had never had an experience that thrilled her so deeply, that made her twat twitch quite so violently as sucking this big stud's humungous black cock. No white guy she had ever dated came near to having what this dude had. She knew all those stories she had heard were true. It was just not an old wives' tale about black men being hung like horses. This one sure as hell was. "Suck that dick, you fucking bitch," the man said, gripping Linda by her shoulder-length blonde hair and ramming his meat into her mouth, driving it down her throat, causing her gag reflexes to almost erupt. But she took it. She took all that dude had to give. All the way to his heavy-hung balls. Linda loved that dick. That huge, heavy hung piece of black cock meat that was shoving down her throat, filling her mouth and making her cream herself as she lay there taking all that that big black dude could give her. All of that hot, big back dick. She licked that big cock, sucking and taking it all down her lily white throat. And she knew that she would never get enough of that good tasting cream that she knew jammed those nuts to overflowing. Give me that cream, she thought. Give your pussy that cream!
