Flame Dragons of the Korean War Jerry Ravino, Jack Carty

This book is the result of collaboration by Jerry Ravino and Jack Carty, veterans of the Korean War with the Flame Platoon, Headquarters Company, First Tank Battalion, First Marine Division, who did not meet until almost 50 years after what went down in history as the Forgotten War. Although the two former tankers served with the Flame Platoon in different places and different times in that conflict, it is a testament to their determination to research and record a part of the war that heretofore had not been chronicled in detail. Though it has been some 50 years past the fact, this is their story -- as memory best serves them and others who helped them tell it. Learn more about the FLAME DRAGONS @ www.flamedragons.com.
