Thank You for Asking: Conversing with Young Adults about the Future Church Sara Wenger Shenk

This is a book of stories--the stories of young adults as told to other young adults who are working hard with imagination, longing, and love to weave a coherent faith and way of life. The stories provide exemplary illustrations of how young adults are drawing vibrant threads from the wonderful, but somewhat frayed heritage they've been given and weaving them into a new coherency. They show the way toward a future church that will be authentic, down-to-earth and life giving for their generation.
