Sherry and Lee are the experts in the area of single parent adoption. They have studied the issue intensely, listened to both adoptees and parents, and most importantly they have lived it. This is an important book for all those impacted by single parent adoption. --Betsy Burch, Founder & Former Dir. of S.P.A.C.E. (Single Parent Adoption of Children Everywhere) "Whether you are a single parent who has adopted or is contemplating adopting, *Single Adoptive Parents: Our Stories*, is a wonderful resource. Single parents, in their own words, discuss their decision to adopt, and share the joys and the challenges of parenting." --Jane Mattes, LCSW. Director, Single Mothers by Choice "Single Adoptive Parents: Our Stories, is compelling and insightful. It fills a niche and a need for the people whom the title describes (as well as anyone connected to them), to be sure, but I also recommend this important book to anyone who cares about family issues - or simply wants to better understand the changing world around them." --Adam Pertman, Executive Director, Evan B. Donaldson Adoption Institute "Lee Varon and Sherry Fine have been helping the world of adoption for years with their books and videotapes about the joys and challenges of single parenthood in adoption. "Most of the two-parent families that we see have enough challenges and require a repertoire of skills in order to parent children who have suffered loss, trauma and neglect, but for a single parent the need for multitasking and a strong support network is even more of a requirement. "Sherry and Lee are part of that support network, and I rarely see a single parent adoptive family that I don't recommend their books and tapes to! This newest book is another major resource." --Dr. Joyce Maguire Pavao, CEO and Founder, Center For Family Connections
