Crystals, like tarot cards, have for centuries been used for healing and divination. In this boxed set, each card image shows a crystal, along with a traditional tarot image, which enhances its meaning. The High Priestess card, for instance, shows the lapis lazuli crystal, which links with her tarot meaning of spiritual truth and intuition—she guides us to listen to the voice of our true selves. Accompanied by a book by author and crystal healer Philip Permutt showing how to lay out the cards for a reading, tarot aficionados will fall in love with the beguiling images, while novice readers will find it an irresistible first deck. The specially commissioned illustrations are by Emma Garner, artist of the bestselling *Art of Tarot*. They beautifully blend traditional tarot imagery with crystals: The Sun card has a sun of topaz, and the World card shows the traditional world dancer holding wands of quartz.
