**A Patient-Centered Approach for the Chronically-III** Irene S. Switankowsky

*A Patient-Centered Approach to the Chronically-Ill* addresses the unique needs of chronically-ill patients and the challenges they present for medical doctors. This book features four principles of the patient-centered approach that can be used by physicians in treating chronically-ill patients. By adhering to these four principles, physicians will be able to humanely treat chronically-ill patients with the care and attention that they need in order to encourage them to manage their symptoms in the best possible way.
