Worst. President. Ever.: James Buchanan, the POTUS Rating Game, and the Legacy of the Least of the Lesser Presidents Robert Strauss

Worst. President. Ever. flips the great presidential biography on its head, offering an enlightening—and highly entertaining!—account of poor James Buchanan’s presidency to prove once and for all that, well, few leaders could have done worse.

But author Robert Strauss does much more, leading readers out of Buchanan’s terrible term in office—meddling in the Dred Scott Supreme Court decision, exacerbating the Panic of 1857, helping foment the John Brown uprisings and “Bloody Kansas,” virtually inviting a half-dozen states to secede from the Union as a lame duck, and on and on—to explore with insight and humor his own obsession with presidents, and ultimately the entire notion of ranking our presidents. He guides us through the POTUS rating game of historians and others who have made their own Mount Rushmores—or Marianas Trenches!—of presidential achievement, showing why Buchanan easily loses to any of the others, but also offering insights into presidential history buffs like himself, the forgotten “lesser” presidential sites, sex and the presidency, the presidency itself, and how and why it can often take the best measures out of even the most dedicated men.

Randal Gore:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Worst. President. Ever.: James Buchanan, the POTUS Rating Game, and
