On Value is a collaboration between Triple Canopy and choreographer/artist Ralph Lemon. The book is a multifarious conversation about the value of artworks and the labor and bodies that make them, especially as defined by institutions with whom artists have often had fraught relationships. In essays, poems, interviews and artworks, 19 contributors consider artworks that resist institutional parameters; how and why performers, choreographers and dancers might go about making art institutions into proper venues for their works; and how race figures into assessments of value. *On Value* emerges from Value Talks, a series of private conversations organized by Lemon in 2013 and 2014 at MoMA.
