A Divided Command (The John Pearce Naval Series) David Donachie

Unbeknown to John Pearce, the private letter he is delivering on behalf of the prime minister carries the dismissal of the very man he is sailing to see. Politics intervene in matters of the sea and the need for a government majority to pursue the war with France means John Pearce must step down as Britain's best sailor, regretfully relinquishing the position to the incompetent Admiral Hotham. Hotham is equally less than pleased about John Pearce, as he is the one person who knows the truth about his dishonest and wicked naval career. Pearce knows Hotham will try and destroy him any way he can to keep from being exposed, so he must navigate the dangerous waters whilst trying to return to Emily Barclay, the woman he loves.
