This is My Kitten Felicity Brooks

This is a brand new title with touchy-feely patches and a sound chip. It encourages children to talk about different parts of a kitten, including her long furry tail, squashy paws and tufty ears, before finding out what she likes to do all day. It features a repetitive story which children can interact with by pressing the sound-chip on the page to make the kitten say 'miaow'. It is warmly illustrated by Matsumi Furukawa. It is ideal for sharing with young children.
