Tiny PANTONE Objects Inka Mathew

Tiny PANTONE Objects is the perfect exploration of PANTONE colors in the everyday world. Inka Mathew has spent years photographing miniature objects that perfectly match the hues of the PANTONE rainbow. In this book, inspired by her *Tiny PMS Match* Tumblr, Mathew takes readers on a visual journey by pairing these objects—some found in nature and some man-made—with their exact PANTONE color, giving life and depth to the PANTONE colors we've all come to know. With objects that range from fruit to candy to toys to replicas of famous landmarks—and even more whimsical items such as a tiny rubber chicken—*Tiny PANTONE Objects* is a beloved treasure trove of the colors that make up our lives.
