## **Female Fault and Fulfilment in Gnosticism (Studies in Religion)** Jorunn Jacobsen Buckley

Buckley challenges scholarly, stereotypical views of females in Gnosticism, which tend either toward idealization or outright devaluation. Examining six Gnostic texts or traditions that illuminate female figures, she analyzes a variety of females within their contexts. She makes no attempt to classify Gnostic females according to simplifying formulae; rather she treats them individually, allowing them to make sense within their own contexts.
