Finding Mrs. Wright (Urban Books) Sherri Lewis

All Devon Wright wants is peace and some time to chill with his boys. He's jerseyed up and waiting for his boy, Charles, to show up with tickets to the Atlanta Falcons' season opener. Instead, at his front door he finds "Satan's little sister," aka Quartisha Shauntae Randall, his baby momma. Once again, she's dropping off their daughter unexpectedly and ruining his plans.

Devon doesn't mind, though. His daughter, Brianna, is the most important thing in his life. He's worried about the poor example Shauntae (He refuses to EVER call her by her first name) is setting with her ghetto-fabulous lifestyle. He can't believe he ended up with such a crazy baby momma. He's vowed to stay away from all women for a while--until Charles introduces him to Cassandra.

Cassandra is nothing like Shauntae. She's a good, church-going woman. Devon is pleasantly surprised to find out that Cassandra's not what he thought a Christian woman would be. Cassandra Parker is not only fine; she's also smart, sassy, and sexy. Devon is intrigued, and he wants to get to know Cassandra better, but how will he be able to handle his daughter, his crazy baby momma, and a new woman in his life?
