No Bad Days: A Random Collection of Irrational Thoughts S.J.Ermanli

No Bad Days is a collection of stream of consciousness style writing that follows a loose structure. It was written over 2013, 2014 and completed in 2015 inspired by the idea that the coming of age we all face at the end of our youth brings with it a lot of grief and that the process of letting go is all apart of the journey.
