Coppell, Texas: A History (Brief History) Jean Murph, Lou Duggan

Coppell history is rooted in peace and community. In 1843, Sam Houston met with ten native tribes along Grapevine Springs Creek to negotiate an accord to end fighting and allow trade and settlement in the area. When Dallas/Fort Worth International Airport opened in 1974, Coppell transformed from a farming hamlet into a thriving town with expanding economic opportunity. Through firsthand accounts with longtime residents and meticulous research, authors Jean Murph and Lou Duggan unfold the contemplative story of a complex and historic community.
