Steamblast from the Past [Siren Allure: Erotic Steampunk Romance, sex toys] Mariah's simple Victorian life is turned upside down when Mac materializes out of nowhere and presents her with a gold gramophone disc-Time Travelers. The moment she cranks the handle and hears his voice, she spirals into the past, and her heart is fully captured. She quickly discovers what Mac knows-they are soul mates with a long, passionate history. What she doesn't know is the disc is a trap. Mac's bigger plan is to lure her back to California. His ultimate invention, a time machine, awaits her. Without her he cannot go forward in time, only back. Mariah understands his adventurous spirit, but her needs this lifetime are simple-to love and be loved without drama. Climb aboard and indulge in a world of locomotives, steam-powered sex toys, and, of course, romance. Because when all is said and done and the steam clears, what's left is so very simple-true love. ** Queen MaryMary [Siren Allure: Erotic Historical Older Hero Romance, love triangle, public exhibition] Victorian grace and charm blend with passion and humor in this May to December romance. Mary and John seem like a perfect match, but John severs ties after discovering they had a tragic past life together. Attempts to get over him do little to heal Mary's heart. She is still very stuck on the older artist a year after the breakup. She decides to leave Scotland to break their connection. Before she can leave, things get royally racy when Eric is put on her path, dragging John into the chaos they cause aboard the Queen Mary. She wants to be over John, but can she simply replace one soul mate with another? Explore the Scottish countryside as these sweet lovers not only try to build a future together, but also forgive each other for the past. ** A Siren Erotic Romance
