Salome Angela Livingstone

Born in 1861 in Russia, Lou Andreas-Salome is best known for the famous company she kept. But as this book reveals, her relationships with Nietzsche, Rilke and Freud were complex and she had profound influences on each of them. This biography brings us up close to her writing as well as to her life and meeting with Tolstoy, Wagner and other remarkable men. It explores, in depth, her relationship with Nietzsche who saw in her a natural heir to his philosophy. Only since knowing her I was ripe for my Zarathustra, he wrote. Salome's marriage was to last for 45 years, yet never be consummated. She had her first love affair at age 36, with a twenty-one-year-old Rilke. He wrote, ...through the relentless force of your words, my work become consecrated. At fifty Salome met Freud and studied under him for two years. Freud had a special admiration for Lou Andreas Salome, wrote Ernest Jones. She spent the rest of her life as a psychoanalyst; her friendship with Freud was to last until her death in 1937.

From reader reviews:

Steve Duran:

What do you regarding book? It is not important with you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. They should answer that question since just their can do which. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular Salome to read.

Jennifer Nava:

In this time globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Often the book that recommended for you is Salome this reserve consist a lot of the information from the condition of this world now. This particular book was represented just how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. The particular writer made some research when he makes this book. That is why this book suitable all of you.

Ray Nicolas:

Many people spending their moment by playing outside having friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by examining a book. Ugh, do you think reading a book really can hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Mobile phone. Like Salome which is getting the e-book version. So , try out this book? Let's notice.

Sylvia Grable:

That reserve can make you to feel relax. That book Salome was bright colored and of course has pictures around. As we know that book Salome has many kinds or category. Start from kids until teens. For example Naruto or Private eye Conan you can read and believe you are the character on there. Therefore not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading this.
