The Doctor Takes a Mate [Colorado Dreaming 4] (Siren Publishing Classic) Angela Claire

[Siren Classic: Erotic Paranormal Western Romance] Cowboy doctor Jack Scott is kidnapped to treat a wounded outlaw, and then shot for his trouble and left to die in the desert. When a beautiful blonde appears to rescue him, he assumes he's hallucinating. Maybe the majestic white bird he had seen as he lay dying had been a good sign. It had brought this Skye to him. Skye is alone in the world, with a mysterious secret and now a cantankerous doctor-turned-patient to nurse back to health. In her cabin high above the mountains of Colorado, Skye heals the handsome doctor even as she tries to tempt him into teaching her to become a woman. With the outlaw gang intent on returning to Jack's town to wreak vengeance, Jack can't get back home fast enough. But can he bear to leave the wild, seductive beauty who rescued him behind? Or will he rescue her in turn? ** A Siren Erotic Romance
