Where the Paths Meet: Bringing the Bible together to reveal God's plan of salvation Dr Charles Vogan

The Bible can be a confusing book to many people -- especially when they look at the hundreds of stories and characters strewn throughout the Old and New Testaments.

Where the Paths Meet takes a close look at just the major themes of the Old Testament -- and then looks at how they dovetail right into the two major themes of the New Testament. When we do this, a single picture comes into view -- the message of the entire Bible.

When we look at the Bible in this way, it's clear that the paths of the Old lead us naturally into the paths of the New. Suddenly we realize that God wrote this book to give us one story!
