**WEIRD HIGHWAY: ILLINOIS ROUTE 66 HISTORY, HAUNTINGS, LEGENDS & LORE BY TROY TAYLOR "GETTING YOUR KICKS" ON ILLINOIS' ROUTE 66!** There is no greater highway in American history than Route 66 - the legendary "Mother Road" - which began in downtown Chicago and stretched all of the way to the Pacific Ocean. For millions of people, it represents a treasure trove of memories and a link to the days of two-lane highways, family vacations, and roadside diners that ceased to exist decades ago. For many, it conjures up images of souvenir shops, tourist traps, cozy motor courts, flickering neon signs, and cheesy roadside attractions that have since crumbled into dust. To others, the highway holds stories of ghosts, haunted hotels, roadside spirits, mysterious vanishings, and bewildering anomalies too. In the first book of his "Weird Highway" series, which kicks off in Illinois, author Troy Taylor takes readers on a virtual road trip and a journey back in time to one of his favorite eras in American history. Part travel guide, part crime thriller, part ghost book, this volume tracks down everything from lost roadside restaurants to forgotten towns, abandoned motels, haunted places, and restless spirits that still linger from the heyday of Route 66. This is not just another book about the Mother Road, but an entertaining trip to parts of the highway that many have never heard about, or have forgotten altogether. Hop in, buckle up, and let Taylor take you on a ride that you won't soon forget!

These books develop itself in the form and that is reachable by anyone, yep I mean in the e-book type. People who think that in e-book form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life as well as knowledge.

#### **Antonio Nelson:**

Do you like reading a guide? Confuse to looking for your selected book? Or your book was rare? Why so many concern for the book? But any people feel that they enjoy regarding reading. Some people likes reading, not only science book and also novel and Weird Highway: Illinois or maybe others sources were given know-how for you. After you know how the truly great a book, you feel need to read more and more. Science book was created for teacher or maybe students especially. Those ebooks are helping them to increase their knowledge. In various other case, beside science publication, any other book likes Weird Highway: Illinois to make your spare time considerably more colorful. Many types of book like this.

#### **Gwendolyn Harrison:**

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Weird Highway: Illinois can make you feel more interested to read.
