Flower Spirits 2010 Wall Calendar (Calendar) Steven N Meyers

A unique and lovely look at the world of flora, this calendar will delight both flower lovers and photographers. Photographer and radiology technologist Steven N. Meyers uses x-ray photography to reveal the textures, details, and structures of plants that are not normally visible to the human eye. To obtain these effects, Steven uses supersensitive, large format film. The result is a rare glimpse at the delicate and intricate beauty of flowers.
