The Viper Kele Moon

Marcos Rivera is a fighter. A gang member. Someone who has seen the dark side of humankind and survived. He has lost family and gained enemies. He has stolen cars and destroyed hearts, stripping one for money and the other for pleasure. His past is haunted and his future is bleak.

Until her.

Katie Foster is a high school history teacher. Smart, strong, and sexy. She is a woman Marcos shouldn't want. Shouldn't touch. Shouldn't love. He met her in Garnet, a backwards, hick town that's the last place in the world he wants to be, but he finds himself going back, all for a taste of the forbidden.

Katie represents all that is good in the world, and Marcos knows he's nothing but trouble for her perfect life. He fights and he screws. He commits crimes and he breaks the rules. He will never change and he will never escape his gang lifestyle.

Or can he?

What happens when two different people from two very different walks of life risk it all by giving into the passion that threatens to consume both of them? Can a woman who only knows how to play it safe give her heart to a man who lives hard and loves harder?

Can she survive *The Viper*?
