Bobby Womack: My Story 1944 - 2014 Bobby Womack, Robert Ashton

Honest, insightful, and unflinching, this is the authentic voice of the Midnight Mover, a hard-working and prolific legend in the music business who stood shoulder to shoulder with Ray Charles, James Brown, and Marvin Gaye as a true giant of soul, R&B, and blues music

Bobby Womack was a true legend, a phenomenally gifted musician with 40 albums and 30 million record sales to his name. The success of his songs helped him to escape the ghetto and become a star, but battles with the record industry and hard drugs almost wiped him out. From his poor childhood growing up in Cleveland and his early forays into music with his four brothers in the 1950s, Womack tells how he found success with his family gospel group The Valentinos. He describes his act being whipped into shape by James Brown, life on the "chitlin' circuit" with Jimi Hendrix, being on the road with the likes of Sam Cooke and Wilson Pickett, and recording in the studio with Eric Clapton and Elvis Presley. But success came at a price. His personal life was never far from heartache and pain. Womack lost his friend and mentor Sam Cooke when the soul star was gunned down in a motel. He incurred the wrath of many when, at the age of just 21, he married Cooke's widow Barbara. His escape from the criticism was to turn to drugs and his friend Sly Stone, leading him to spend years as one of the biggest party animals in Los Angeles. The years of riotous abuse took its toll on Womack and those closest to him, including Janis Joplin, who spent her last night drinking with the singer. His marriage to Barbara broke up, his brother Harry was brutally murdered, and he lost two sons. But Womack's talent, searing guitar, and soulful voice always shone through. Womack is cited as an influence by myriad musicians, and remains the epitome of cool.

From reader reviews:

Michel Wilkerson:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. Along with book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Bobby Womack: My Story 1944 - 2014.

Clifford Hudgins:

Is it an individual who having spare time after that spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Bobby Womack: My Story 1944 - 2014 can be the answer, oh how comes? A book you know. You are and so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Todd Goff:

That publication can make you to feel relax. That book Bobby Womack: My Story 1944 - 2014 was multi-colored and of course has pictures on there. As we know that book Bobby Womack: My Story 1944 - 2014 has many kinds or variety. Start from kids until young adults. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore , not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading that.

Peter Landon:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Bobby Womack: My Story 1944 - 2014 can make you feel more interested to read.
