Angels Demons Ghosts: How to Identify and Respond to Supernatural Spirits Dr. Virginia Wade

How can we identify and respond to angels, spirits, ghosts, and other supernatural spirits if contacted?

Imagine driving to a loved one's funeral hearing the deceased's voice loud and clear. You wonder if you're crazy, but there's the voice again. And now your loved one is sitting next to you--in spirit form.

This is actually happening! But how?

And what do you do next?

Supernatural specialist Virginia Wade combines her extensive real-life experiences, gifts, and academic study into this comprehensive guide to supernatural beings. You'll learn to differentiate between angels, demons, ghosts, spirit guides, deceased loved ones, and biological entities--and how to respond to each when contacted. She'll help you connect with your guardian angel and the Archangels in order to receive messages and guidance in your life. And she'll also arm you with the skills to activate your angels for protection against demonic assault.

Virginia Wade then takes her book beyond protection and into the healing realm. Archangel Michael's tools will help you handle difficult people, cleanse the aura and chakras, and remove negative energies, spirit attachments, and ghosts.

Get ready for a journey deep into another dimension--one that provides a clear perspective of the seen, the unseen, and the essential tools to apply this knowledge toward a more peaceful life.
