Valis

Philip K. Dick

Valis Philip K. Dick

What is VALIS? This question is at the heart of Philip K. Dick's groundbreaking novel, the first book in his defining trilogy. When a beam of pink light begins giving a schizophrenic man named Horselover Fat (who just might also be known as Philip K. Dick) visions of an alternate Earth where the Roman Empire still reigns, he must decide whether he is crazy or whether a godlike entity is showing him the true nature of the world.

VALIS is essential listening for any true Philip K. Dick fan, a novel that Roberto Bolaño called "more disturbing than any novel by [Carson] McCullers." By the end, like Dick himself, you will be left wondering what is real, what is fiction, and just what the price is for divine inspiration.

From reader reviews:

Jerry Brock:

The book Valis can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book Valis? Several of you have a different opinion about e-book. But one aim which book can give many facts for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or details that you take for that, you are able to give for each other; you are able to share all of these. Book Valis has simple shape nevertheless, you know: it has great and large function for you. You can appearance the enormous world by open up and read a book. So it is very wonderful.

Eleanor Williams:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is inside former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Valis as your daily resource information.

Frederick Rothman:

The reason? Because this Valis is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the publication store hurriedly.

Adam Perlman:

Reading a book for being new life style in this year; every people loves to study a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and also soon. The Valis will give you a new experience in looking at a book.
