While the Imperium draws great advantage from the unbelievable weight of manpower it can bring to bear, the diversity of its military is its greatest strength. Many, many esoteric factions are expected to answer the call to protect humanity, from the arcane Adeptus Mechanicus, to the merciless, psychically-gifted Grey Knights and all in between. The forces of the Imperium are myriad and distinct, but all follow the Emperor's divine will - through this common goal, they strive to ensure the continued if fraught survival of Mankind. This 136-page full-colour Codex presents background and rules for a number of smaller Imperial factions, whose forces fight alongside other armies of the Emperor. Use the rules, datasheets, wargear and detachments included to add members of the following operatives to any army of the Imperium: - A full army list for the Battle Sisters of the Adepta Sororitas - Tech-Priest Engineeers and Servitors of the Adeptus Mechanicus - Valkyries of the Aeronautica Imperialis - Battle Psykers and Astropaths of the Astra Telepathica - Priests of the Adeptus Ministorum - Kill Teams and Corvus Blackstars of the Deathwatch - Terminator Squads and Nemesis Dreadknights of the Grey Knights - The Legion of the Damned - Assassins of the Officio Assassinorum - Inquisitors of the Inquisition
