Winnie Hazon

The Social and Legal Status of Women: A Global Perspective Winnie Hazon

This book delves into the legal traditions that relegated women to an inferior social and legal status worldwide. Winnie Hazou probes the nature of law, changes in legislation, and the trend of modern law toward a social engineering that effects gender equality. Hazou analyzes changes in major areas of women's lives, such as family, employment, and the acquisition of social power. She presents a global perspective of women's status and discusses international law aimed at eliminating the exploitation and abuse of women. The book highlights five countries, exploring the cultural basis for and social attitudes toward the position of women in each country. Students and scholars of women's studies will find this book a valuable resource.

The book concludes that both national and international law are slowly evolving into an effective tool for the elimination of discrimination against women. In spite of residual traditions, and beliefs across all cultures concerning gender roles, there is great institutional support in governments as well as the United Nations to elevate the status of women. This book combines the sociology of women and the sociology of law to give a global perspective on not only the current position of women but the changes that are occurring in their lives.

From reader reviews:

Michael Durkin:

Within other case, little persons like to read book The Social and Legal Status of Women: A Global Perspective. You can choose the best book if you love reading a book. As long as we know about how is important any book The Social and Legal Status of Women: A Global Perspective. You can add know-how and of course you can around the world by the book. Absolutely right, simply because from book you can learn everything! From your country until finally foreign or abroad you will end up known. About simple issue until wonderful thing you are able to know that. In this era, you can open a book or even searching by internet device. It is called e-book. You may use it when you feel fed up to go to the library. Let's examine.

Carl Carrillo:

This The Social and Legal Status of Women: A Global Perspective is great reserve for you because the content and that is full of information for you who always deal with world and have to make decision every minute. That book reveal it facts accurately using great arrange word or we can state no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with beautiful delivering sentences. Having The Social and Legal Status of Women: A Global Perspective in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen tiny right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. stressful do you still doubt that?

Randall James:

Is it you actually who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Social and Legal Status of Women: A Global Perspective can be the respond to, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these guides have than the others?

Edward White:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Social and Legal Status of Women: A Global Perspective can make you experience more interested to read.
